

# Amelia County Middle School

## PTSA Newsletter August, 2019

**FIRST GENERAL PTSA MEETING**

**September 19<sup>th</sup>, 2019 at 6pm**

**ACMS Library**

**Welcome back!** 😊

Greetings Amelia Middle School, students and parents!

We have an entirely new corps of PTSA officers and we are ready to do our best to “**help learners learn**” in the 2019-2020 school year. As this school year starts we ask for your patience, understanding and support as we get adjusted to our new roles and we thank you in advance for your understanding and support.

As always we are looking for volunteers and to expand our PTSA family. We know that in the mix of all the information packets, forms to fill out and fees to be paid it is easy to miss the PTSA but we ask that you please take just a moment to join our PTSA by filling out the membership envelope and enclosing the \$5 fee per member. We also have our “**Field of Dreams**” fundraiser where you can support the PTSA without having to sell anything. 😊

Our new board will be building on the foundation made from our prior group of officers; this can only be accomplished by the support of our ACMS families through PTSA membership, volunteering your time and talents, and the financial support we receive from your fundraising efforts.

We are looking forward to working with our ACMS families this year and “**helping learners learn!**” As always we are open to new ideas for raising money for our school so that we are better able to help serve our students and teachers so that they are able to grow and continue to do great things.

Again I want to say welcome back and thank you for all that you do to help make our school great.

Pam Cundiff

We are currently working on getting our student advocates for the 2019-2020 school year.

**Just some things the PTSA  
accomplished in the 2018-2019 school  
year...**

Classroom trick or treating

Paint nights

Holiday shop for Christmas

Valentine Grams

Student vs. Staff basketball game

Skate night

End of year celebration aka Field day

### **VOLUNTEERS NEEDED!**

Fill out a volunteer form & return it to school with your student to be informed of volunteer opportunities this year!
